

HOW TO – Access the App for APCI eMobile

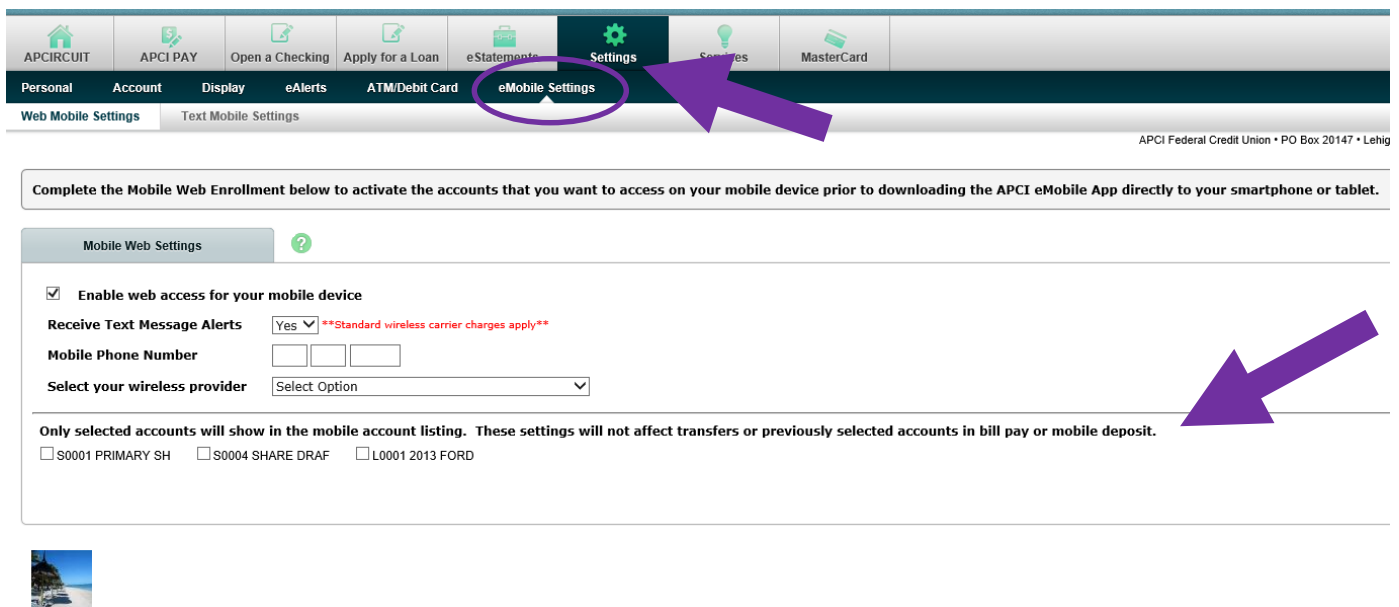

APCIRCUI is the main system of our APCI eCU suite of electronic banking services. APCI eMobile allows you to access your accounts securely from your mobile device. You can check balances, view transactions, transfer funds and make loan payments within your APCI FCU accounts, receive account alerts and deposit checks using your mobile device with APCI eDeposit.

1. To access APCI eMobile, you must first activate the accounts you wish to access.

- a. Log in to APCIRCUI by visiting apcfcu.com. Enter your APCIRCUI ID and click “Continue.” Follow the prompts to complete the login process.

- b. Click the “Settings” tab followed by “eMobile Settings.” Enter your mobile phone number and select your wireless provider. Check the box next to the accounts you want to access on your mobile device and click “Submit” to complete web mobile enrollment.
