

HOW TO – Change my APCIRCUIT ID and Password with APCIRCUIT®

APCIRCUIT is the main system of our APCI eCU suite of electronic banking services.

1. Visit apcfcu.com and enter your APCIRCUIT ID and click “Continue.” Follow the prompts to complete the login process.

2. Click the “Settings” tab to open the Modify Login Information Box.

3. The Modify Login Information Box allows you to update your APCIRCUIT ID and Password.

The screenshot shows the APCI Federal Credit Union website interface. At the top, there is a navigation bar with icons for APCIRCUIT, APCI PAY, Open a Checking, Apply for a Loan, eStatements, Settings (highlighted), Services, and MasterCard. Below this is a secondary navigation bar with tabs for Personal, Account, Display, eAlerts, ATM/Debit Card, and eMobile Settings. The main content area is divided into two sections: 'Modify Personal Settings' and 'Modify Login Information'. The 'Modify Personal Settings' section includes fields for Current Email Address (FLOYDLA@airproducts.com), Change Email Address, Reenter New Email Address, Password Reset Question (what is my dogs name), Password Reset Answer (a), and Personal Watermark (a small image of a dog). A note below the watermark says 'NOTE: Click on Watermark to change.' The 'Modify Login Information' section, indicated by a purple arrow, contains fields for APCIRCUIT ID (AP038661), Enter New, APCIRCUIT Password (Enter Current, Enter New, Enter New Again), and a Submit button.

4. To update your APCIRCUIT ID, enter your new APCIRCUIT ID information into the Enter New box. Click the “Submit” button to proceed.

5. To update your APCIRCUIT Password, enter your current APCIRCUIT Password into the Enter Current box. Enter your new APCIRCUIT Password into the Enter New box and into the Enter New Again box. Click the “Submit” button to proceed.
