

HOW TO – Change my personal settings within APCIRCUIT®

APCIRCUIT is the main system of our APCI eCU suite of electronic banking services. Personal settings that can be updated within APCIRCUIT include your email address, password reset question and answer and watermark image.

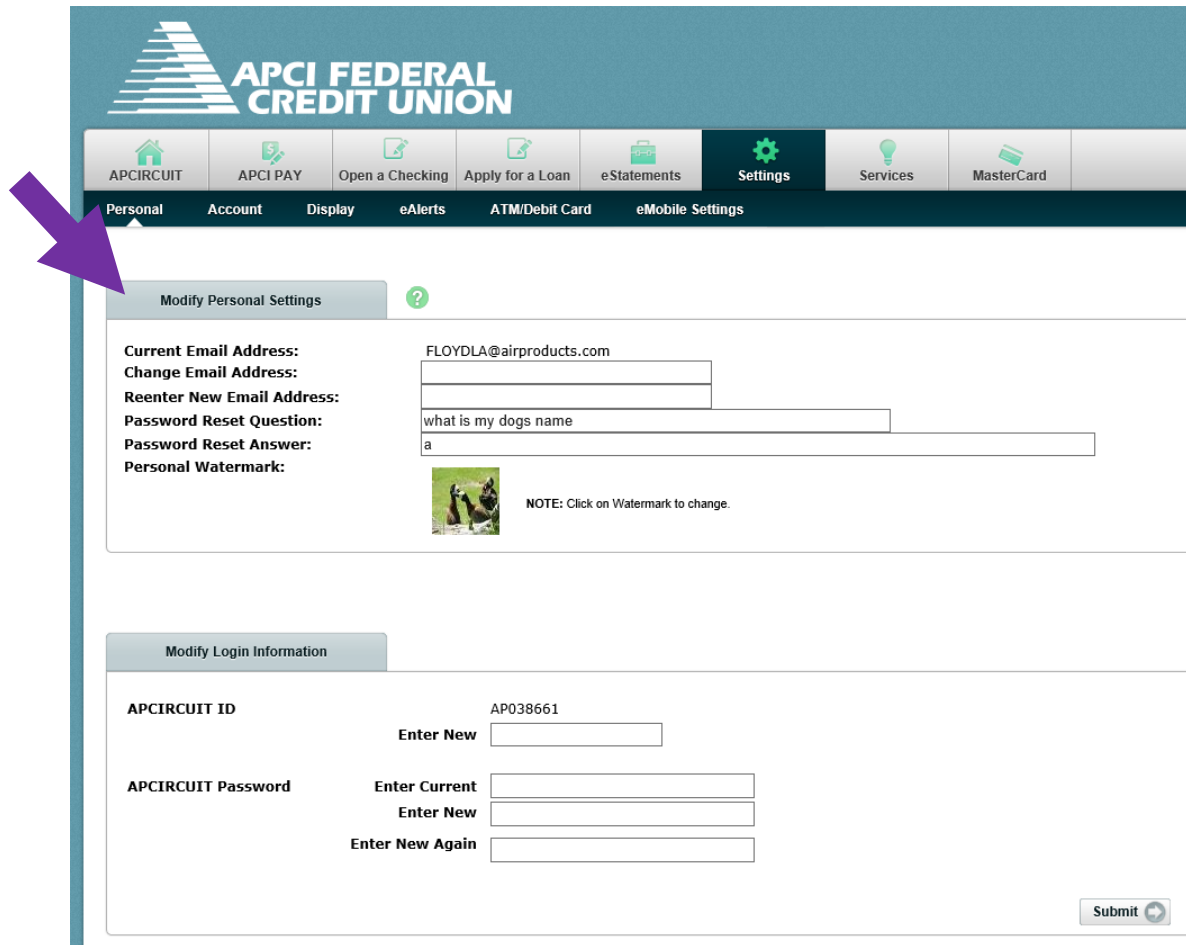

1. Visit apcfcu.com and enter your APCIRCUIT ID and click “Continue.” Follow the prompts to complete the login process.

2. Click the “Settings” tab to open the Modify Personal Settings Box.

3. The Modify Personal Settings Box allows you to update your current email address, reset your password question and answer and change your personal watermark image.

The screenshot shows the APCI Federal Credit Union website interface. At the top, there is a navigation bar with the logo and several menu items: APCIRCUIT, APCI PAY, Open a Checking, Apply for a Loan, eStatements, Settings (highlighted with a purple arrow), Services, and MasterCard. Below this is a secondary navigation bar with links: Personal, Account, Display, eAlerts, ATM/Debit Card, and eMobile Settings.

The main content area features a 'Modify Personal Settings' section with a question mark icon. It contains the following fields:
