

HOW TO – Complete a Mobile Check Deposit Using APCI eDeposit

APCIRCUI is the main system of our APCI eCU suite of electronic banking services. APCI eDeposit is a part of APCI eMobile. It allows you to take a picture of a check and deposit it securely using your mobile device.

1. Visit apcfcu.com and enter your APCIRCUI ID and click “Continue.” Follow the prompts to complete the login process to APCIRCUI® PC Home Banking Service.
2. Agree to the terms of the APCI eMobile Agreement.
 - a. Go to the Settings tab, then select “eMobile Settings.”
 - b. Complete the required fields, then click “Submit.”

The screenshot shows the APCI Federal Credit Union mobile app interface. At the top, the logo and name are displayed. Below is a navigation bar with icons for APCIRCUI, APCI PAY, Applications Ctr, Settings (highlighted with a purple arrow), Services, and MasterCard. Underneath, there are sub-tabs: Personal, Account, Display, ATM/Debit Card, and eMobile Settings (circled in purple). Below the navigation is an information message box that reads: "Information Message: Your enrollment is pending. In order to complete your enrollment changes, you must reply 'Yes' to the text message sent to your mobile device."

4. **After the app is installed on your mobile device, log in with your APCIRCUIT ID and Password as you would when using APCIRCUIT.**
5. **Read and click the box in the bottom right corner of screen to accept the APCI eMobile Disclosure and Agreement.**
6. **From the drop-down menu in upper left corner, select “eDeposit” and follow prompts to complete the eDeposit User Registration.**

A screenshot of a mobile application interface for "APCI eDeposit User Registration". The screen displays four input fields: "First Name", "Last Name", "Email" (with the value "greennj@airproducts.com"), and "Confirm Email". At the bottom, there are two buttons: "Cancel" and "Continue". The status bar at the top shows the time as 11:03 AM and 69% battery.

7. Once the eDeposit registration is complete, click “OK” and then “Deposit a Check.” You will then see this image:

8. After you see the above image, you are then ready to photograph your check. To do this:
- Select “Check Front.” Your camera will open and you will then take a picture of the front of the check. Be sure to take a clear picture and center your check within the outline on the screen.
 - If the image is clear, select “Use.”
 - Enter the dollar amount in the Check Amount field and select “Check Back.”
 - Take a picture of the back of the check. Be sure to endorse the back of the check using black ink and write “For Mobile Deposit.” Do not use self-inking “For Deposit Only” stamps.
 - If the image of the back of the check is clear, select “Use.”
 - Select “Deposit to Account” and select which account you want the check to be deposited to.
 - Once the above steps are complete, the Deposit button in the bottom right of your screen will turn green. You can then select “Deposit.”
 - Your eDeposit is now complete.
 - You will receive a message confirming your deposit.
